ICON & PROFILE

The rose "h" is for favicons, app icons and small spaces. The circle wordmark is for Instagram, Facebook and other profile photos.

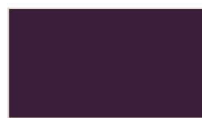

RULES

- "her" is always the accent colour; "taxpro" is always plum or cream.
- Keep clear space around the logo equal to the height of the "h".
- Smallest size: 120px / 1 inch wide with slogan, 80px / 0.6 inch without.
- Use the wordmark alone when the slogan would be too small to read.

DON'T

- Stretch, tilt, outline or add shadows.
- Retype the logo in another font, or capitalise it.
- Swap the colours of "her" and "taxpro".
- Place it on busy photos or low-contrast colours.
